PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of three (3) blank visa pages for entry and exit stamps.

A tourist visa is required for U.S. and Canadian passport holders for entry into Madagascar. There are currently two options available as outlined below. A&K recommends a visa on arrival.

Visa on Arrival: The current fee for a single-entry visa is 80,000 Malagasy Ariary (approximately USD \$30.). There is an additional Tourist Tax of approximately USD \$10, for a total per person entry fee of approximately USD \$40. Fees must be paid in cash in either U.S. dollars or local currency. If payment is made in U.S. dollars, change will be given back in local currency. All fees are subject to change without notice.

Visa Stamp: A visa stamp in your passport can be obtained either by applying directly to a Madagascar consulate or through a visa processing service. While there are additional costs involved in using a visa service, this option is available for guests who prefer assistance in the visa process. If you obtain a visa stamp you will still be required to pay the USD \$10 tourist tax on arrival.

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K's account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

COVID-19 COUNTRY ENTRY REQUIREMENTS & TRAVEL ADVISORIES

Madagascar currently has no COVID-19 vaccination or testing requirements for entry for U.S. and Canadian residents. Visit the U.S. Department of State at travel.state.gov or the Government of Canada at travel.gc.ca/travelling/advisories for up-to-date information and travel advisories. All requirements are subject to change.

YELLOW FEVER VACCINATION & MALARIA PREVENTION

A yellow fever vaccination is only required to enter Madagascar if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

You will be travelling to an area of malaria transmission. We strongly advise that you speak with your doctor or travel clinic regarding your itinerary, individual risk assessment and options for mosquito bite prevention and antimalarial drugs. We recommend filling any prescriptions before you depart.

LOCAL HEALTH & SAFETY PROTOCOLS

In accordance with local regulations, face masks are required in all indoor and outdoor public spaces and on public transportation including air travel, and all persons asked to practice physical distancing of at least 6 feet (2 meters). We encourage you to bring your own masks; a supply will

be on hand where needed. Note all protocols are subject to change in accordance with relevant guidelines, local regulations and conditions.

CASH & CREDIT CARDS

Cash transactions can be made in either U.S. dollars or local currency. Major credit cards are accepted for goods and services at hotels and larger shops. Access to ATM machines is widespread in cities and towns but may be limited in rural areas.

PACKING LIST

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.
